In the diagram below is the complete pattern.

The remainder of the diagrams are the enlargements of the one above.

The one below is the diagram for the bottom part.

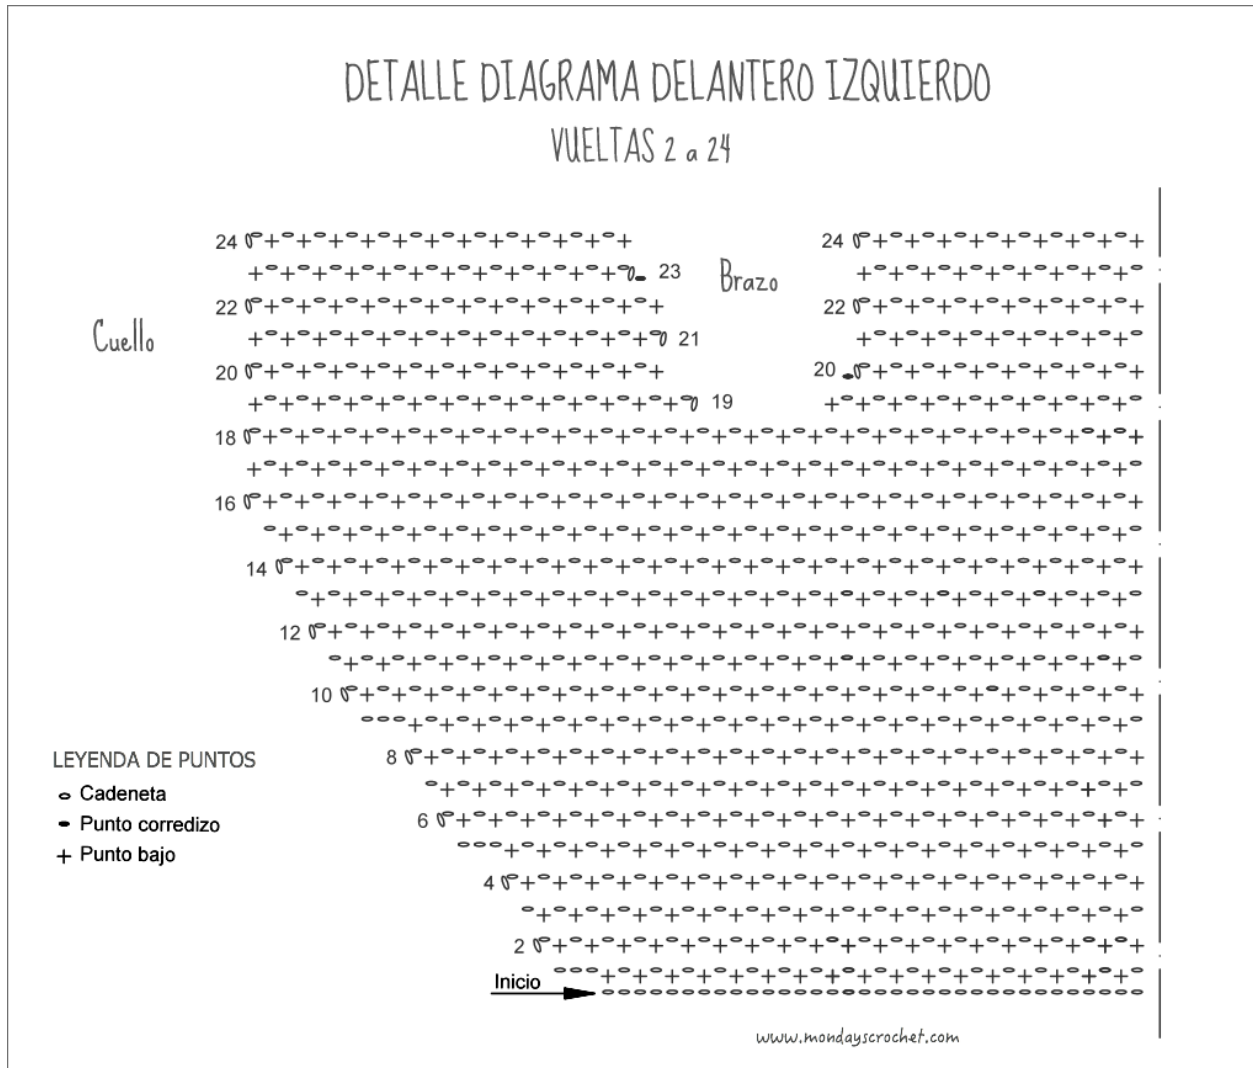

Diagram of the front left part of the bolero:

With hook number 3,5 start the bottom part of the bolero.

FOUNDATION ROW: 89 ch

We recommend to make row 1 in 2 loops of the first ch to obtain more resistance (see the photograph below)

ROW 1 RIGHT SIDE (RS): 1 turning ch and 1 sc, ts. Repeat. 90 stitches in total.

ROW 2-4 WRONG SIDE (WS): 3 ch of increase, 1 turning ch, ts. Repeat. 95-101 stitches.

ROW 3 (RS): 3 ch of increase, 1 turning ch, ts. Repeat. 99 stitches.

ROW 5 (RS): 1 ch of increase, 1 turning ch, ts Repeat. 103 stitches.

ROW 6 (WS): 3 ch of increase, 1 turning ch, tsRepeat. 107 stitches.

ROW 7 (RS): 3 ch of increase, 1 turning ch, ts Repeat. 111 stitches.

ROW 8 (WS): 1 ch of increase, 1 turning ch, ts Repeat. 113 stitches.

ROW 9 (RS): 1 ch of increase, 1 turning ch, ts Repeat. 115 stitches.

ROW 10 (WS): 3 ch of increase, 1 turning ch, ts Repeat. 119 stitches.

ROW 11 (RS): 3 ch of increase, 1 turning ch, ts. Repeat. 123 stitches.

ROW 12-14-16-18 (WS): 1 ch of increase, 1 turning ch, ts. Repeat. 125-129-133-135 stitches.

ROW 13-15-17 (RS): 1 ch of increase, 1 turning ch, ts. Repeat. 127-131-135 stitches.

1 loop

2 loops

Divide all the stitches in 3 parts: 1 back and 2 fronts. Calculate with the following rule for measuring your bolero:

CÁLCULO DE PUNTOS PARA LA ESPALDA

La mitad del contorno de la niña mide 34 cm

10 puntos → 4,8 cm

x puntos ← 34 cm

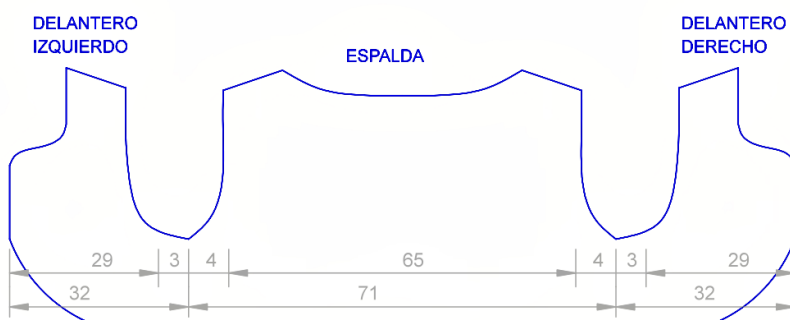

$$x = \frac{10 \times 34}{4,8} \quad x = 71 \text{ puntos}$$

www.mondayscrochet.com

Half of the outline of the girl measure 34 cm. If we measure on the bolero, 10 stitches are 4,8 cm. The result is 71 stitches for the back. The rest is for both fronts.

For a total of 135 stitches, distribute the back and the fronts in the following way:

REPARTO DE PUNTOS EN ESPALDA Y DELANTEROS

Medidas en puntos

www.mondayscrochet.com

Place markers in stitches 33 and 105 in ROW 18 and leave 7 stitches undone as we showed in the previous graphic.

Mark the stitch 3, start from the left front. The stitches 38 and 100, end and start of the back and the stitch number 108 end of the right front.
